• It was an amazing class and I've really learned how to grow my confidence

• Waxie Moon was an absolutely incredible teacher to have this year. They have such a clear passion for the art of burlesque and they make everyone in the room feel comfortable and safe. Waxie was always there if we ever wanted additional help. They brought in some truly spectacular guest speakers who were such a joy to meet and learn from. I cannot emphasize enough how open and available Waxie was to all of us throughout this process. It's a scary thing to do something like burlesque in a class and Waxie made it feel completely safe and so much fun.

• Waxie is an incredible teacher and this was probably my favorite class the whole semester. I feel like I can make more burlesque acts now, and have the skills to develop more characters and create thoughtful storylines. I have become a better storyteller because of this class and I feel more confidence in myself as a performer. Thank you Waxie!
